CITY COUNCIL MEETING OF: March 21, 2007

TOM McGOWAN, Las Vegas resident, questioned staff's recommendation for denial. MARGO WHEELER, Director of Planning and Development, explained that there is a variance request and staff cannot make the findings for it. MR. McGOWAN believed staff was indeterminant; therefore, it could not be a binding denial and recommended approval of the application.

COUNCILMAN ROSS was very pleased and commended MR. GENTRY for being a good neighbor and informing his neighbors about his request prior to the meeting. He wished MR. GENTRY the best and desired to see more applicants follow his actions.

MARGO WHEELER, Director of Planning and Development, added that Condition 5 would need amending to reflect the verbiage "square feet" at the end of the condition.

MAYOR GOODMAN declared the Public Hearing closed on Items 92 and 93.
